*Hillcrest Children's Home is a ministry of
AG Family Services Agency, Hot Springs, Arkansas.*

Host Families
PARTNERS IN COMPASSION

hillcrest
CHILDREN'S HOME

Is there room in your heart?
At the heart of every Hillcrest child or teen,
there is a vast need for love, acceptance and compassion.

Making room for a child.

“A hundred years from now, it will not matter what kind of house we lived in, what kind of car we drove, or what our bank account balance was. But the world may be different because we made a difference in the life of a child.” *—Author Unknown*

Have you ever desired to make a difference in a child's life?

Assemblies of God Family Services Agency (AGFSA) welcomes YOU to partner with us in extending God's love to a child in need by serving as a Host Family. Host Families provide a stable, short-term, Christian family environment for Hillcrest children and teens, primarily during holidays or school vacation times.

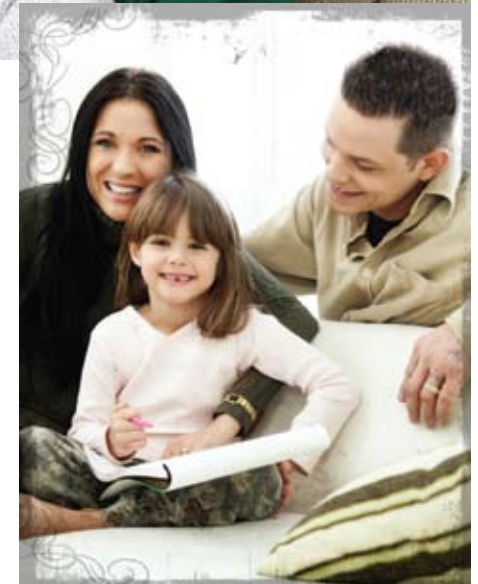

Becoming a Host Family is not a job for the faint-hearted. Host Families meet all State of Arkansas requirements for foster homes including at least (5) five hours of pre-service training before placing a child in the home. Requirements also include a home study and state/federal background checks.

If you are interested in this exciting and rewarding compassion ministry opportunity, please call 501.262.1660 for a Host Family Application Packet.

Is there room in your heart for a child?

Host family training will be scheduled as needed. If you desire to partner with Hillcrest in this compassion ministry to kids, please call Georgia Belin, AGFSA Social Services Director, at 501.262.1660 to register for training and begin the Host Family application process.

Your compassion for a child can make a difference for eternity.
